

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION**

UNITED STATES OF AMERICA

v.

MICHAEL TABA

**CRIMINAL CASE NO.
3:17-CR-155-L (07)**

**MOTION FOR LEAVE TO FILE DEFENDANT TABA’S MOTION FOR
CONTINUANCE OF TRIAL AND PRETRIAL MATERIALS DEADLINES**

COMES NOW, MICHAEL TABA, defendant, by and through his counsel of record, Erin Brennan, and hereby requests leave to file Defendant Taba’s Motion for Continuance of Trial and Pretrial Materials Deadlines, and in support presents the following:

1. Pretrial motions were due January 3, 2020. (Doc. 251.) The most recent criminal trial scheduling order states that no pretrial motions will be entertained unless leave to file is granted by this Court. (Doc. 540.)

2. The defense hereby requests leave to file their motion for continuance and contends that good cause exists due to an unforeseeable car accident that rendered Dr. Taba’s prior counsel unable to work due to a prolonged concussion. The attached motion for continuance delves into this matter more deeply. Moreover, counsel has been working as diligently as possible to avoid having to file a motion for a continuance, knowing that the Court has set a firm deadline for trial, but said motion is critical and necessary at this point. Finally, the defense requested as short of a continuance as possible – 30 days, not 6 months – being mindful of the Court’s availability, resources, schedule, and full docket.

3. The ends of justice would be better served if this motion is granted.

WHEREFORE, Dr. Taba respectfully requests leave to file Defendant Taba's Motion for Continuance of Trial and Pretrial Materials Deadlines.

Respectfully,

/s/ Erin Brennan
